As promised in our post about the epron dfp-50000 projector, we are back to try out another epron projector, the epron dfp-7100. This is one of the newest projectors we have had the pleasure of test driving, and for good reason. It is the best bang for your buck, or wow factor if you will, if you are looking for an entry level widescreen projector. Inside the box we get a cd of the software, the projector and all the connections needed, as well as a few ba244e880a
