Archives of Internal Medicine. Volume 149, Number 1, January 1999, Pages 496–499. Hospitals: A New Criterion for Hospital Quality Review? Healthcare Quarterly. Volume 5, Number 4, December 1, 2006 – Page 11. Health Care Financing Review. The requirement that hospitals provide patient access to certain specified information is part of the Hospital Survey and Quality Improvement Act of 1986 (P.L. 99-660), which sought to improve patient safety, quality, and the overall health care system. The mandate for such hospital survey and quality improvement programs was introduced in January 1987. A statute was passed in 1987 (P.L. 100–637) that allowed for a voluntary survey of hospitals by the 2d92ce491b
