# Messenger Backup Wizard Crack For Windows

## Messenger Backup Wizard For Windows [Latest]

The Messenger Backup Wizard is a FREE and handy utility for MSN Messenger and Windows Live Messenger from Microsoft, which allows users to backup their custom Messenger graphics (such as MSN Display Pictures and Emoticons). It uses a very simple wizard interface, allowing you to create a backup of your graphics with 5 clicks. Use the wizard to create a backup from the following options: MSN Picture Gallery, MSN Gallery, MSN Starred, MSN Emoticons and MSN Display Pictures. All back ups are created in PNG format and can be restored by simply running the included restore applet. Supported Messenger versions: 7.5, 7, 6.5, 6, 5 and 4. Supported OS are Vista (x86 and x64), XP, 7 and 8. A special note: The Windows Live Messenger 8 requires a patch to be installed as well. Download and install this patch prior to creating a backup. Microsoft offers a FREE download at the following link: You can also use the 'Messenger Backup Wizard' to replace your existing personal and/or account specific files for the supported messenger versions.

The following link will take you to your account page: Here you will be able to manage your account and receive the latest official update for the supported messenger versions. The Messenger Backup Wizard can be downloaded FREE of charge for both editions: 32 and 64 Bit Versions. Do not hesitate to get it and experience what all it offers you! Outdated Soft is not supported, please refer to the following page for updates: This post is somewhat extended version of post at the following link: Summary: Message Backup Wizard is an MSN and Windows Live Messenger Client for Windows Live Messenger and MSN Messenger back up your MSN Display Pictures, MSN Starred, MSN Emoticons and MSN Pictures. Feature Summary: To backup your Microsoft Chat 2007/Windows Live Messenger (2007/2003) Custom Graphics (MSN Display Pictures and Emoticons) with the Message Backup Wizard;
