Maschine is the next step towards using custom drum parts as they come natively to the platform, rather than needing to piece them together with external MIDI and sample inputs. Maschine is more than just a drum machine. It is a fully-featured all-in-one sampler, sample editor, and musician's DAW. Edit instrument samples with it's sample-based workflow, and play, record, and perform using the step sequencer, powerful performance engine, and fully-featured MIDI controller. . Moreover, it offers unique custom drum parts, customised by Native Instruments, based on the world's best drum machines. These live custom drum parts give you the express ability to play and perform your drum parts from any MIDI keyboard on the market. .
