A city tearing itself apart with gang trouble, drugs. Product Description The GTA San Andreas is a 1995 Open-World action-adventure video game developed by Rockstar North and released by Rockstar Games for Microsoft Windows and PlayStation. GTA San Andreas Serial Key Download PC Full Version is the fifteenth installment in the Grand Theft Auto series and the sequel to Grand Theft Auto IV. Patch Announced on October 25, It will not have an Official version for the PlayStation 2, as was the case for GTA: The Ballad of Gay Tony and GTA IV. The reason for this was a dispute between publisher Rockstar and Sony about the title. Sony felt that the game was "too violent" for its platform and wanted Rockstar to add "family-friendly" elements to the game in order for it to be released. These elements were not added in the final version, but were added in the PlayStation 2 version of Max Payne 2. Gameplay The player begins a story similar to Grand Theft Auto IV and Max Payne 3, with Carl Johnson fleeing from the police after an undercover sting to rob some drug dealers. He ends up running from the police into the city of San Andreas. The player is now able to perform activities that he was not able to do in Grand Theft Auto IV, including visiting casinos and racetracks, and take part in a drug smuggling operation. The player can also choose to be a police officer or a criminal. The game introduces several new features to the series. Players are given the ability to drive 570a42141b
