## System Requirements:

Important: PvP training is only available when competing in all PvP maps in a server. F.A.Q.:  
Q. Why do I keep getting a message saying, "Preparing to go to land!" when I log into the game? A. The system is checking if there are enough players in the server. Since it is still early days and the PvP map team are working on the new PvP map, there is a possibility of getting a message like this. If there are not enough players, it will not be able to
