I love all Sims really, my sims might be a little weird and slightly creepy, but at.Those who were looking forward to Australia's first proper winter season were treated to a perfect storm of a Test series. The weather was mild, and that meant the tourists enjoyed a spanking victory against an England bowling line-up that is so weak that the spin-friendly conditions actually

The loss of greats and a structural change in the format, have somewhat taken the gloss off what was once a fascinating game. Small wonder that the era of Shane Warne is only now truly starting to be appreciated. Since his retirement a decade ago, the Australian teams he graced have mostly ended up on the losing side of one-day internationals and T20

matches. Over the next few years, Australia will need to play a lot better if it is to build a team that can return to its former glory in white flannels. Once upon a time, it was almost impossible to imagine anyone but the greats on the same team. Sledging
