View more videos, download resources, read manuals, and book a consultation at . In this market since a year. We help our clients create and develop their business, and we consider this our main achievement. In the year, as part of one of my first projects - opening a recruitment agency in Togliatti, I realized very clearly that I like helping young and ambitious people open their own business. The work of a business consultant, compared with the work of a sales manager, has a number of fundamental differences. First, the consultant works with the client individually. CONTENT:
