A: My guess is that the problem is that char is the same as string in VBA. Try changing the type of this variable to String.

What kind of coverage does a loan get under federal flood insurance? A: Quick Answer Under federal flood insurance a loan gets three types of coverage, flood insurance, hazard insurance and special flood hazard (SFH) coverage. The aforementioned policies are required to be paid annually and are non-transferable. Keep Learning The National Flood Insurance Program provides homebuyers with basic flood insurance. The program's coverage provides assistance to homeowners whose property or business was damaged due to flooding. The National Flood Insurance Program provides federal assistance and a maximum aid limit of \$500,000 per occurrence on property damage covered under the policy. The program requires that anyone who buys a home or business should check that the property is located below the 100-year floodplain. The property should also be maintained according to the requirements of the National Flood Insurance Program.

Hazard insurance is also provided by the National Flood Insurance Program. The program covers damage to a home,

business or structure that is covered under the program. The National Flood Insurance Program requires that any damage to a home, business or structure must result from a listed natural disaster. It also requires that the home, business or structure is used for the purpose for which it was designed. The SFH program is administered by the U.S. Department of Housing and Urban Development. The program covers construction-related damage and the expense of damage repair. The SFH program is purchased on a month-to-month basis. 12 Ill.
