There are few backpacks that have a main compartment and 1 side pocket. The Retella is one of these packs. I found it on Amazon as a pack that has a main compartment and the bottom zippered pocket as a hidden compartment. The Retella backpack fits me well because I have medium height and it has an adjustable strap. For more videos visit: \*This video won't show up here #Skillshareclasses #retella I will show you how to make a Retella backpack in the next couple of videos. The Retella is an affordable backpack with all the things I'd like to see in a backpack to be able to carry everything with me without having to carry around two bags or a bag and a backpack. There are few packs that have a main compartment and 1 side pocket. The Retella is one of these packs. I found it on Amazon as a pack that has a main compartment and the bottom zippered pocket as a hidden compartment. I try to describe each step of the backpack on this video. The year of the Pig (or "Pig") is the 5th of the 12-year cycle of lunar years in traditional East Asian calendars, and the third of the five years of the lunar month within the year. The year of the Pig's name is obtained by adding the letter "P" to the year of the Chinese zodiac, which in turn is a scheme to
