who sets out to find the creator of a robotic being named Enthira (Aishwarya Rai) who he believes is responsible for killing his father. Enthiran movie free download torrent Enthiran movie is one of the best Tamil films of all time and most people from India and abroad like this film but still it is the best films in all time that is the only factor about success of a film and as said by Shankar and the cast of this film is very big hit they all seem to love the film very much to a point they keep telling that this is their career hit and as I said the reason that I love this film is because of three things. Download Enthiran Full Movie In Tamil Torrent, save Download Enthiran Full Movie In Tamil Torrent In HD Quality with 100% free, high speed torrents. While desiring to settle down in his own home, the young Rajinikanth first travels to Chennai, where he meets Aishwarya Rai Bachchan. Rajinikanth tells his tale in a way that the audience will identify with his resolve to do anything to save his father. Few Indian films have that kind of universal appeal, and it is much more than the sum of the parts. Rajinikanth tells the story like he himself is the hero, with the result that the movie is so memorable and heartfelt. As always with Rajinikanth, the audience is treated to a rare performance. While trying to balance his mother's loving demands and his father's struggles to carve out a new career for himself, Rajinikanth is willing to risk his own life, and ultimately commits suicide for his father's sake. Enthiran is like the visual embodiment of that heroic act. It's a labor of love for the entire team. The cinematography, art direction, writing, and even the casting are all the work of the designer, art director, Vijay, and actors alike, and the result is a beautiful epic that can be appreciated on many levels. Rajinikanth, Aishwarya Rai Bachchan, and the rest of the ensemble have been at it so long that no one seems to notice that they are 570a42141b
