The state of Missouri is in the process of creating a new set of gambling laws, and it will require extensive changes in its existing laws. The Missouri Department of Revenue ("MDR") is in the process of receiving and reviewing a comprehensive draft of the new statute, and the public and industry may be interested in what the changes will be. One in particular has garnered much attention: how will the new gambling laws apply to Missouri residents who live outside the state? Will they be forced to gamble in-state if they wish to use online gambling services? This post will examine the new laws in their entirety, and provide a review of the major points. Who Wins
