It can be easily used by individuals of any experience level and can be run on Windows 98/ME/NT/2000/XP/VISTA. Aplus DVD to Divx Xvid Ripper is a simplistic software which allows you to convert DVDs to the AVI, VCD and SVCD format. It can be easily used by individuals of any experience level. The interface of the program is plain and simple to navigate through. You can import a DVD into the list by using the file browser only, because the "drag and drop" method is not supported. In the list you can check out the episode name, split span, along with audio track and subtitle stream of the DVD. All you have to do is specify the output destination and format, in order to initiate the encoding process. But you can also change audio and video parameters when it comes to the size, bit rate, frame rate and aspect ratio, preview the DVD in a built-in media player and trim it by marking the start and end position, select the audio track and subtitle stream, as well as enable Aplus DVD to Divx Xvid Ripper to automatically turn off the computer after conversion. The simple-to-use DVD encoding software takes up a moderate-to-high amount of system resources, has a fair response time and didn't freeze, crash or pop up errors during our tests. The image and sound of the converted videos have a decent quality. However, Aplus DVD to Divx Xvid Ripper can take a while to complete a task. Also, there is no help file available. We recommend Aplus DVD to Divx Xvid Ripper with reservations. Aplus DVD to Divx Xvid Ripper -

The developers of the popular hack 'n' slash RPG The Banner Saga, Stig Asmussen and Nina Kristiansen, announced today on their website that they will be working on a new IP together with Canadian publisher Versus Evil. This means that the duo will be working on a new game on a brand-new platform. Asmussen and Kristiansen said that they have been talking about the idea of working together for some time, and decided that it was the right time to jump into the studio together, and work on the next project together. The Banner Saga is a hack'n'slash RPG that was released on April 25, 2015 for the PC and PS4. It was developed by Starbreeze Studios. The Banner Saga was nominated for several game awards and won the Independent Game Developers Award for 'Game Design'. The game has also been translated
