I have a constant array (so I can't use var) and I'm looking for the fastest way of converting it. What's the fastest method? A: If you only need to get a value from the array, you can try this: long val = Convert.ToInt64(array[0]); It converts the first element and then returns that value. You'll need to make sure you know the type of the array (int, float, etc.) to know if it needs to be converted to an int, long, double, etc. Nusrat Javed Nusrat Javed (born 13 February 1966) is a Pakistani politician who had been a Member of the Provincial Assembly of the Punjab since August 2018. If you are a web-master or have been using a web-browser for some time now and you are looking to replace Internet Explorer, then the SEO Browser CE is a superb alternative. This is because SEO Browser CE displays in a similar way to Internet Explorer and also has the added benefit of displaying Alexa Ranking and Page-Rank for any website that you visit. Of course, all browsers have their own strengths and weaknesses and, to be honest, SEO Browser CE could not be any more similar to Internet Explorer. However, if your main reason for wanting a new browser is to improve the way that you view websites or to get a more detailed and better version of the Alexa Ranking and Page-Rank data than what you get from Internet Explorer, then you could be better off going for a different browser. Nonetheless, in case you are looking for a really easy to use browser that has a similar look and feel to Internet Explorer and displays some very useful web-site data then SEO Browser CE is the browser for you. You should not buy this browser for the reasons I have given above, however, you should buy it for the reasons that I have listed below. SEO Browser CE Key Features: ☑ Free ☑ Really easy to install ☑ Really easy to use ☑ Really easy to use ☑ No ads ☑ A bit more security than Internet Explorer ☑ A bit more security than Internet Explorer ☑ All the web-sites that you visit are ranked and displayed in a way that is very similar to Internet Explorer. ☑ Very easy to make changes to your browser settings. ☑ Most importantly, SEO Browser CE is really easy to use. SEO Browser CE Installation Instructions: It is easy to install SEO Browser CE. Just follow these simple instructions and you will be able to use it for free.
