

IGN is the #1 place for all video game news, expert reviews and walkthroughs. You will find all IGN content here, except for what has not been published for your convenience. If you find something interesting, we will be glad if you share it with the world. The game has several options for customizing your character. You can have two weapon options and you can choose between melee weapons and firearms. You can have three armor options, and there are also options for each armor, so it's pretty tricky. The armor comes in a variety of options
