Computer Software, Drivers, Updates, Apps Category:Windows XP Show HN: Superflow – Learn More, Remember More - dsacks2 ===== dsacks2 Hey Hacker News! I just released Superflow. Superflow automatically organizes your notes and brings you back to them later. It was inspired by Michael Nielsen's Deep Learning Book series. You enter your notes as they come to you (by audio or video). Then you can come back to them later to quickly review and expand on what you learned. Existing computer science systems like DeepMind's open source MemN2N (which I cited as inspiration) focus on teaching you what you should know as opposed to what you 82138339de
