Dark Souls is an action-RPG video game developed by FromSoftware and published by Namco Bandai. Originally released in Europe for Microsoft Windows on November 11, 2011, the game was released worldwide for Microsoft Windows in April 2012, and for the Sony PlayStation 3 in February 2013. It is the sequel to 2010's Dark Souls. The game received largely positive reviews, and was followed by two sequels, Dark Souls II (released February 25, 2014) and Dark Souls III (released June 22, 2018). The game takes place in a fictional world called Anor Londo, where players choose between two characters, a male protagonist named the Knight and a female protagonist called the Scholar. The game's plot revolves around the protagonist's journey to defeat the Dragon God known as "God Hand". The story centres on the world's Dark Knight, who is enslaved by the
