Astro 101: Black Holes from University of Alberta (6) . I read this on Reddit. Someone wrote the same thing on Twitter but I don't see a reply. Is it true? Can it be this simple? A: This is hard to say but, from the description given, it seems very unlikely. If you take a closer look at the description you have linked, the author mentions three different tracks (Listening Party 1, Listening Party 2 and Listening Party 3) - and just about every one has a large amount of genres (81 in total) which means that they all play different genres of music. 82138339de
