Death On The Reik Pdf To Word

September 18, 2021 - Lots of illustrations here, mostly in color, mostly good to excellent. I really wish there was an option in the PDF to hide the textured light bluish color. Text: Very good! Although I can't help but notice that you don't always understand the general course of events in the world as it is described in the book. Sometimes you say, for example, that "for several years after the war (1922-1927 - B.S.) there were no major uprisings." But after all, the uprising in Armenia is dated 1923, although it is described earlier in the book, 5 years before its real start. You didn't notice it, but I'm sure you would if you noticed it elsewhere in the text.
