The colouring of these icons is also pretty rubbish. It's not surprising they look bad on Windows though, given that's what they are designed for. They're icons for a modern OS. Maybe they're designed for Windows, but they look better than the ones on my Mac. I think the icons might be the problem. jtbaglio 04-02-2009, 10:40 AM I think the icons might be the problem. I really think they look fine. You're just not used to seeing them. Shor 04-02-2009, 11:01 AM I think the icons might be the problem. I really think they look fine. You're just not used to seeing them. I know, but they're still ugly. The fact they look good on my Mac is irrelevant, because they look like crap on Windows. jtbaglio 04-02-2009, 11:03 AM I know, but they're still ugly.
