Windows 7 Ultimate allows you to choose between 32-bit or 64-bit versions. If you can confirm that you have installed a . Oct 13, 2019 Windows 10 Customer Preview Build 18725 used on a 25-character Windows 7 product key does not work on a Windows 10 machine, to install the full version of Windows 10 Home edition. You can however activate the Windows 10 Home edition on a Windows 7 machine by using the 15-character Windows 10 Home Windows product key available from . Dec 7, 2019 I have tried to activate Windows 7 home edition using Windows 10 Pro Product Key. It says that the product key has no matching license. And the nice thing is that because I have bought this Windows 10 Pro, it now shows me the new Windows 7 Home icon. But I have installed it on my laptop, and I cannot activate it. Aug 16, 2019 Windows 7 Professional SP1 Premium with Windows 10 Pro SP1 key no longer works on a 32-bit Windows 7 (Home Premium) system and Windows 7 Ultimate (64-bit) only: Microsoft has removed (retired) the Windows 7 Professional SP1 Premium (32-bit) product key, and if you change your Windows 7 installation, you are unable to activate it with the same product key. Sorry, since this answer is updated to correct an anachronistic error, the text of the earlier answer is hereby superseded and deleted. The first two paragraphs are correct, and the error they mention is corrected in the last paragraph. Jan 8, 2020 Someone had posted an important info on the Internet, that the product key you used with your Windows 7 Ultimate can only be used for activations in the retail channel. A retail activation usually means: System is activated/licensed only by retail shops, with lot of validation processes, System is not activated/licensed online. System is activated/licensed only by PC dealers. See also: How to Activate Windows 7 Ultimate Edition without a Retail Key A: The accepted answer here is wrong. All that is necessary is to update your installer to one with the newer product key (thus the 15-character long hexadecimal key). Any Windows product key valid in the retail channel can be applied to a retail-only installation. A: Go to the download site and get the latest full version of Windows 7 Home Premium. Once installed, it will ask you for a
