Salman Khan and Jacqueline Fernandez in the movie "Race 3" (2018). Salman Khan in "Race 3" (2018) ... By far the worst Bollywood movie I've seen in my entire life! The film, which was nominated for the prestigious Academy Award, didn't have a single scene I could be proud of and not a single actor I was interested in. I can't understand how they won an Oscar. But I can understand why it didn't take long for it to get Golden Globe and Emmy nominations. The script wasn't good, the acting wasn't good, the directing wasn't good either. It was just a movie that looked like a cheap parody of Formula 1 and The Race.
