As Mark Thompson says on the show, if you thought the day you'd see your favorite franchise on a tablet was 'soon' then you'd better look again. I think the first game on the new device will be on PS Vita, and will be a Gravity Rush game. In case you are new to the series, Gravity Rush is about Kat, the daughter of a bookish scientist, who moves through the ever-expanding gravity-manipulating realm of Stainworth. She is inexperienced, probably even mentally younger than she is, but she's actually quite adept with electricity and other scientific concepts. The game also has time travel and a strong steampunk feel to it. Mark takes a look at the unreleased Alien: Isolation and talks about how he came to be involved in the game. This is a video about Mark's new game, Alien: Isolation, which hits Xbox 360, PS3 and PC on October 7th. Posted by: PatrickQ: How to make an independent game without assets? I have an assignment to make an air hockey game without using any 3d modeling softwares such as blender and any assets in the game. I have to make a default game where I can play the air hockey using drag drop images, buttons, and text, but I am having trouble making the actual game 3e33713323
