
Grid 2 No Steam Patch

Multiple platforms to launch. Defense Grid 2 is available on Nintendo Switch, Steam, PlayStation 4, Xbox One and in VR for Oculus Rift. Defense Grid 2 is the sequel to Defense Grid where players will defend the world from an invading alien force. In the new game, you will have to defend two huge systems from alien invaders. In Defense Grid 2 you will be able to control units as well as entire armies. In the game you also have to build bases and defend them from enemies.

Defense Grid 2 is a top-down shooter. The game has a lot of different units that you can combine as your heart desires.
