Jan 28, 2022 - It accompanied a huge presentation of distributed storage and programming, as well as a rack of gadgets and PCs. Office 365 was introduced as a "refined" version of Office 365.

"In the past you could get Office 365 if you had a Microsoft Exchange installation, but what's the advantage of that?" He explained the presentation, which focused on what Office 365 would ultimately bring. He went on to say that Office 365 would use the cloud for speed and convenience.
