Visual changes - The best and most realistic Reshade & ENB. The game also supports third person view. Game Features: The game world is 17 large and small islands. So far, there will be no changes. Incredible 3rd person view. The game takes place at different times from the times of the Second World War to the present. You get a character that is a flash drive. Please note that the game requires DirectX 9.0c. Download Ultimate Edition / Ultimax Edition Ultima EX is one of the oldest games to be released on portable media. The game is translated as Ultimal Edition, from the English word Ultimatum, which means acceleration, increase, gain. The story of Ultimium EX begins in the year 1000, when the legendary hero Sigmar was reborn from icy oblivion. He was called to Earth for the sole purpose of freeing her from the Dark Lord. A new first-person game dedicated to this great hero. The player will have to go through difficult parts of the game world together with the player, fight opponents, resolve conflict situations, capture new lands, strengthen their base and create new technologies. Also, the player will be able to do what he prefers in his spare time. The player can heal, repair weapons, pick up abandoned equipment, rebuild the base, and control his ship. So that no given signal escapes the player, Ult10EX is equipped with an NFC control system. There are many weapons in the game. Finding or creating weapons is an exciting experience. Exciting battles in the game take place with the participation of a large number of characters. The plot of Ult 10EX is the story of the birth of mankind, which took place just 1000 years before the first summer solstice. You will meet the main character on Khizrap The earth swallows all living things. People have nowhere to run. To survive, they must either submit to fate or destroy everyone around them. After all, all this is done by the Dark Lords, who are marching on a world that, in their opinion, does not belong to them. The struggle between the Light and the Dark has captured all countries. Two huge armies play against each other on the edge of the continent. Despite the desperate struggle, the dark forces were able to advance to the very center of the mainland and captured the solar system, thus
