In this study, we characterized the MKK2-independent activation of MAPK by NRF4 and investigated the roles of NRF4 in mouse development and cancer. In this review, recent progress in this field will be discussed, with a particular focus on the developmental roles of NRF4 in the nervous system and in the developing kidney and its contribution to the chemoresistance in acute myeloid leukemia (AML). The progress in this field will be discussed in detail in this review. (2). 2008 (7) Â. From the archives of Harvey B.
