---

A father with a child in his arms says to his wife: "Honey, I can't do the dishes. I am holding the child." His wife brings him a carrier. Baby carrier joy - Metro act 3 - Ergonomic carriers blog 29\_the-joy-. This is a very simple but fun time. When he was little, he had his stroller, and now he has his carrier. And for me it's a lot of fun because I can carry it with me to work.

---

We can't afford to hire a nanny. They can do whatever they want, but our homework is our job. We can also walk whenever I want. Let me tell you how it goes,â€ he says. We drive to work and he's in my carrier. We go out when I need to. It sits on
