He now works in Sao Paulo, Brazil. The game is based on the eponymous film. It was released on 13 November 2010 for Microsoft Windows. Action-adventure game Max Payne 3 was developed by the Swedish company Remedy Entertainment, which is known for creating the video game series, which is composed of Alan Wake, Quantum Break, and Control. The company began working on Max Payne 3 more than three years ago. Remedy Entertainment has never worked with Rockstar Games before. It was scheduled to do so in order to create the official Grand Theft Auto Online, also being developed by Rockstar Games. Remedy put a lot of care into its work on Max Payne 3. Game designer Sam Lake stated that the game was their personal passion, and that it was just as much fun for the team as it was for them to develop it. Remedy Games also created the Max Payne series in the past. The company was also responsible for the Max Payne film. Max Payne 3 The story of Max Payne 3 begins in Sao Paulo, Brazil. It was a few years after the events of the eponymous film. The city is under the rule of a brutal and tyrannical dictator named president Arizio Dantas. He has killed countless of his citizens, simply because he disagrees with their views. Due to the atrocities of the president, the citizens of the
