Fix for Autocad 2012 Autodesk 2012 keygen PHP CURL function upload large files I have a PHP script which has a CURL function to upload files to a remote server via SFTP. The script works just fine but when I upload a 100MB file it takes hours (about 12 hours) to complete. Does anyone have any idea of where I should start looking to narrow down the problem? There doesn't appear to be much information about PHP/CURL to be found in Google. $url = "URL HERE 82138339de
