Players have full control over what does and does not happen in-game using their touch screens, analog sticks, buttons and motion controls. They can also make weight-based changes to how they move and interact with their players' movements in the game. The development team believes this new gameplay aspect will bring a whole new dimension to football and the action you will see on the pitch. For the first time in a sports game, you will be able to make tactical adjustments with precision in real time to counter your opponent in a fight for the ball. FIFA's new motion capture technology creates a cinematic, dramatic effect to gameplay, where the player makes subtle movements that

What's new:

- **Matchday fever! Choose any matchday for the first time in Ultimate Team mode and build your favourite attacking team and defensive, resting for the decisive matches. Made from scratch**

-
- **Career mode. Play as a manager or as a player.**
 - **Real player feeling. Blended trigger passes can be done accurately and smoothly. Score-friendly game modes are all addictive and require precise skill**
 - **Brand-new animations, improved crossing and shooting. The shooting power of the various players has been adjusted to match the player class.**
 - **Advanced tactical planning. New positioning and formation system allows you to master even complex formations and playing styles. The build-up system for good and direct passing has been improved. The more switches inside a pitch, the more you should use it - for example, first touch passing.**
 - **Better team chemistry. More consistent character traits for all players. Face your matchday opponents in the most suitable style.**
 - **Realistic high scores. The original gameplay of the FIFA series has been adjusted so that you can better celebrate your high goals.**
 - **Replays. As a coach you have a modern view of all encounters as you can view all hit-ins when watching a match and can call-up replays if needed. All national teams and leagues support the new replay commands and enables you to replay what's important in your match.**
 - **Broadcaster Commentary**
 - **New stadiums**
 - **Player Physics:**
 - **Real AI**
 - **Real crowds**
 - **Physicality gives you a serious competition**
