How to check a string against a list of values? I am trying to check if a string value is within a list of values. I have tried a few different things but the it does not seem to be searching the list for the sub-string... Instead, it returns an index error. How can I check that the string value is within the list? First function:

```
//Check if the vehicle is in a Parking lot //Change this when you need to use a
different "Vehicle" variable string vehicleType = "Car"; //Change this when you
need to use a different "Stockroom" variable string stockroom = "CAR"; public
void CheckIfStockAvailable(string vehicleType, string stockroom) { if (vehicleType
== stockroom) { int stockAvailable = 0; foreach (Vehicle location in stockrooms)
{ if (location == stockroom) { stockAvailable = 1; } } return stockAvailable; } }
```

A: Change your Code to public void CheckIfStockAvailable(string vehicleType,
string stockroom) { if (
