FIFA is an authentic, official football simulation video game franchise which has captured the imagination of millions of players and football fans around the world. Through a combination of addictive gameplay and depth of content, FIFA provides the greatest football competition in the world. With FIFA 22, EA SPORTS brings players closer to the authentic football experience than ever before, just as if they were at the world-famous FIFA tournament in an all-new playing surface. FIFA is the world's premier football videogame franchise and one of the most popular sports videogames of all time. This release is separate to FIFA 21, as it focuses on changes to the core gameplay elements of FIFA and introducing new features to be included in FIFA 22. What's New Adidas Rose Bowl Fields We've reconstructed a brand-new Rose Bowl pitch, one of the most famous college football venues in the United States, to use in FIFA 22. This pitch features a wide range of visual updates and improvements to reflect the game's inclusion of the NFL and NCAA College Football games, the new stadium models, and more. Powered by Football™, as well as all of the custom features, kits and player faces that make it one of the most authentic American football arenas in the world. Upcoming Hosts We're in talks with a number of potential franchise hosts, including the NFL and U.S. Women's National Team, in order to bring authentic events like the FIFA World Cup™ and Women's World Cup™ to the game. Always Scores Come back for more with a new set of Always Scores events. Bring your opponents' best moments from a previous match directly into your next one. These events will allow you to challenge your opponents with historic match-ups when your line-up is close or deadlocked. You'll also be able to battle your foes with historic rivals and memorable matches from around the world. Konami Champions League Stadiums Experience the new visual work and intricacies of a training facility made to hold the strongest players in the world. New visual details and overall improvements in this mode will deliver an even stronger and more authentic experience. Key events in the mode, such as making your new team or changing kits for the very first time, are entirely new, allowing you to experience a truly authentic tournament atmosphere. We're expanding Champions League with new stadiums and new host countries, and players will now have to settle for second place if they
