Build your dream home from the ground up. Unrestricted views from every angle because this lot is more of an oval shape. If you are looking for a new home or a new starting point in life. Look no further. published:29 Jul 2016 views:103356 This is a short episode of us filming for our upcoming independent documentary. This was filmed when one of us was offered free housing at two different men's houses. We had to film the very first day of his arrival to the house so we set up a few cameras that day. We weren't able to film the last couple of days in that house but we are looking into getting to that house later on. We hope you enjoy!
